A CARL.

MY class of young gentlemen in the language and higher branches of English will be re opend on the 2d of February. As all the member of it board in my frmily, my number is mecessaril limited and as select as it can be meda. This class imited and as select as it can be made. This class was designed to accommodate the views of gentlemen who desired a place for their some in the country, where they would not only be carefully prepared for business or for college, but where they would be removed from the dangerous influences inseparably connected with school lits in the city. How the three views have been mot, I am willing for those to say who have been my patrons, and whose culture and high position entitle their opinions to the entire confidence of the people.

A BOLD, RUT YERY LANE ATTENITY AT BLACKMAIL.

At an early hour last evening, while a police officer was going his rounds, he heard somebody cry out that he had been robbed. Approaching the spot, he found that a man named John Blad had hold of a young genileman (whose name we refrain from mentioning) whom he charged with having robbed him of \$18 in maney. Bowdon said he had only 75 cents left.

The young genileman stated he was from Macoe, stouthy protested his innocence, and informed the of-stouthy and the duty of the Committee on-Constitution to say wasteffices they shall eccupy. This amendment was adopted.

It was also meved that the efficiency are instanting the duty of the Committee on-Constitution to say wasteffices they shall eccupy.
